PARIS PASS USCINCEUR, THURSTON AND FINN

Berlin Contingency Planning

Department and Defense approve three Embassies' paper on flights over 10,000 feet (enclosure No. 1 Bonn's D-1941, circulated tripartitely as BERCON TRI D-6).

British and French Embassies Washington have informed us of their Governments' approval.

Defense/JCS requests amendment of conclusion to read: "The three Embassies conclude that [there are no agreements that restrict Allied flights above 10,000 feet in the Berlin corridors and] if Allied ..."
Proposed change in brackets.

British and French Embassies Washington informed of proposed change.
Bonn should discuss tripartitely.
